

Dust Collector Instruction Card

Read all steps before starting

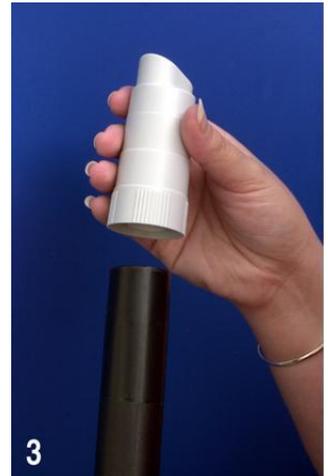

1. Bring to your bedroom:
 - The Dust Collector and its cap
 - The measuring paper rectangle
 - A watch or clock with a second hand
 - Your vacuum cleaner

2. Roll back the covers on your bed.
Place the paper rectangle on the bottom or fitted sheet.

3. Place the Dust Collector on the end of your vacuum hose (**it may fit loosely until the vacuum is turned on**).

4. Prepare your watch or clock for timing.
Vacuum the area on the bed for exactly 2 minutes.
Without turning the vacuum off, place the paper rectangle on the floor directly beside the bed.

5. Vacuum the area within the floor rectangle for exactly 2 minutes

Continued on the other side

Dust Collector Instruction Card, continued

- 6. While holding the Collector up, turn the vacuum off.
Push the cap firmly onto the top of the Collector.**

- 7. Remove the Collector from the hose and place it back in the Ziplock bag and close.**

- 8. Place the Ziplock bag containing the Dust collector in the padded envelope.**

Bring the dust to your visit with you.
